

NZ e-Invoicing with B2BE

Your Path to Compliance

Since July 2022, the Ministry of Business, Innovation and Employment (MBIE), New Zealand's PEPPOL Authority, has mandated that all central government agencies receive invoices exclusively via the PEPPOL framework. This shift replaces paper, PDFs, and emails to:

- **Strengthen security** and reduce fraud risks.
- **Boost efficiency** in invoice processing.
- **Standardise operations** across government.

What are your agency's obligations:

1. Adopt PEPPOL for all invoices.
2. Support suppliers in transitioning.
3. Retain records for 7 years per NZ law.

Risks of non-compliance:

Payment delays, fraud exposure, and audit issues. PEPPOL is now the standard—readiness is non-negotiable!

A Solution to the Mandate

The right PEPPOL Access Point ensures compliance without disrupting your operations. B2BE, an MBIE-accredited provider, offers tailored solutions beyond the basics.
